A. Tour & Discussion Mc Laughlin Park

Disc Golf

Much discussion was made as the board toured the course.

Signage on top of the basket pointing to the next tee box would be very helpful.

Alternate placements of the baskets to provide variation

Introducing 'Soccer Golf' as another addition to the course

Main signage at the beginning of the course with an explanation of the layout

McLaughlin comments

Still a beautiful park!

Discussion on creating a fenced 'Toddler Area' at the playground area. If not here perhaps when the new area is developed at Lions Park.

Landscape with native grasses and plants the east side area (where the hill used to be). This would not only be a nice contrast to the rest of the park but also promote the Prairie lands of KS.

BENCHES! The benches in the park have lived a useful life but it is time that they need to be replaced.

Discussions about having a campaign to have the general public donate a bench as a 'memorial or such'

Tammy will get with Neal to work on the details and report back at the next meeting
