A. Report Tree City USA Recognition Event – March 23/24th

Mosher, Ortega, Stewart attended the TCUSA recognition in Salina this year. They reported that the City of Valley Center was recognized for their 21st year as a TCUSA.

B. McLaughlin Park – Disc Golf Presentation (Mosher/Ortega) see included notes

Ortega and Mosher attended a meeting with the Air Cap Disc Golf association and reported recommendations for improving our course at McLaughlin Park. They mentioned that the ACDGA would be willing to assist with the design of a new disc golf course at the new park off Seneca if it is decided that there will be one there too.

Also, they reported that the McLaughlin Park Disc Golf Course has been mapped out on an app call U-Disc. [Link to course map](#). The board discussed the following priorities for the park: updating the baskets, installing tee boxes, adding catch basins under each basket for soccer golf, updating the course map sign with a QR code that links to the course map and planting trees along the course route to increase the challenge.

C. Fall Festival Event Ideas

Discussed possible ideas: Disc golf clinic: Disc golf fun events including longest drive, kids competition; Tree give-away; Opportunity to advertise the new park and other projects.

JJ Mosher & Ray Ortega's notes from meeting with Air Cap Disc Golf Board

Meeting with Air Capital Disc Golf Board – March 6th Ray Ortega – JJ Mosher
Tee Box Pad Dimensions – Min 3' X 8'

[Kansas Disc Golf Association - Index page](#) This is where air cap and Ducks post league play at.

The rec department would be the place for rules, member fees – like Valleys Centers golf league.

The city would design the guideline – park rules they told a story of a dog that was not on a leash.

Air Capital Board member – Park Liaison – Mike Barley Info – jbailey19@cox.net
Cell – 316-239-5895

Mike will be a huge help and a point of contact with question we may have if we move forward. After talking with the group, they reached out to multiple basket companies for quotes and voted on that once all in.

Prodigy reached out to them with a lower cost once the vote closed, the Prodigy rep expressed that they really want a park in Kansas with their baskets. Next page has Prodigy Basket info

JJ and I talked to the group, and they also said if we wanted to leave the course of McLaughlin Park alone, we can make it a beginner's course, The Junior League is fast growing. We can hold a Fall Fest Tournament to bring more people to town.

If we do go forward with this Valley would need to create a Players league, Colwich just started this, and they named this Colwich Players League – So ideas like Hornets – stingers Player leagues jumps out. These fees will help with maintenance.

One thing that stood out was the Disc Golf players do not like to throw across walkways, they like fairways and out of bounds, this is where Mike will be a huge help and Bill Paulson here in Valley that helped design the first courses, also might be a good person to bounce ideas off of.

Goddard has a terrible design. I will drive out there to make sure we do not follow this course.
